

A photograph of the Dubai skyline at dusk. The Burj Khalifa is the central focus, its spire reaching into a sky with soft, wispy clouds. The building's facade is illuminated with a warm, golden light. To the left, other skyscrapers are visible, some under construction with cranes. To the right, a modern building with a curved facade and a distinctive spire is prominent. In the foreground, a body of water reflects the lights from the buildings and the sky. A dark, semi-transparent rectangular box is overlaid on the lower left portion of the image, containing white text.
