Dear Mr De Lucia,

Thank you for your online application of 22 November 2017 seeking the patronage of the European Parliament for the Coppa Di Natale Dragon Boat that is to be held in Rome on 17 December 2017.

The aim of your initiative, namely to promote the benefits of sport, is much appreciated. I was particularly pleased to learn that your event is dedicated to the fight against violence towards women and to raising awareness of the gender based discrimination in society.

The European Parliament considers[1] that EU efforts to eradicate violence against women and girls must be even more intense and be part of a comprehensive plan to combat all forms of gender inequality. It has therefore called for an EU strategy on combating violence against women and gender-based violence while recognising, at the same time, the vital work done by civil society organisations such as yours to prevent and combat violence against women and girls and to protect and assist victims of violence.

It is therefore with great pleasure that I grant your event the European Parliament's [high] patronage[2].

I warmly wish you every success for the Coppa Di Natale Dragon Boat.

Yours sincerely,

Antonio Tajani

"How are you?"
Broken. Useless. Alone. Clueless. Confused. Betrayed. Fragile. On the verge of tears. Depressed. Anxious. About to break down. Ready to give up. Pathetic. Annoying. I'm just a burden. Distant. Lonely. Bitter. Heartbroken. Lonely. Rejected. Crushed. I feel like I'm going to just fall apart at any moment. Empty. Defeated. Never good enough.
Fine.
